| £2,500.00       | £75,000                        | £122.62          |
| £3,000.00       | £90,000                        | £147.16          |
| £3,500.00       | £105,000                       | £171.64          |
| £4,000.00       | £120,000                       | £196.16          |
| £4,500.00       | £135,000                       | £220.72          |
| £5,000.00       | £150,000                       | £245.24          |

Based on a 6 month deferred period. Your monthly benefit will pay out for 12 months after your deferred period.

**\*plus a 6.75% administration fee**

## Career Ending Injury Benefit

An accident or injury preventing participation (as a player) in professional sport with no foreseeable recovery, as assessed by an independent medical expert (i.e.: career-ending). We will pay you a lump sum as follows:

| Age   | Times Your Monthly Benefit    | Maximum Benefit |
|-------|-------------------------------|-----------------|
| 16-29 | 30 times your monthly benefit | £150,000        |
| 30-31 | 25 times your monthly benefit | £125,000        |
| 31-32 | 20 times your monthly benefit | £100,000        |
| 32-33 | 15 times your monthly benefit | £75,000         |
| 33-34 | 10 times your monthly benefit | £50,000         |
| 34-35 | 5 times your monthly benefit  | £25,000         |
| 35-36 | 0 times your monthly benefit  | £0              |

There is no cover for non-accidental injuries outside of a chosen sport or sickness.
